3. Our Products

3.1. The images of the Goods and Promotional Products on our site are for illustration only. We cannot guarantee that your computer's display of the colours accurately reflect the colour of the Goods or the Promotional Products. Your Goods and Promotional Products and their packaging may vary slightly from those images.

3.2. All Goods shown on our site are subject to availability. We will inform you by e-mail as soon as possible if the Goods you have ordered are not available.

3.3. You may only purchase Goods from our site if you are at least 18-years old.

4. Contract Phones and SIM Only

4.1. By ordering a Contract Phone or SIM Only you are making an application to the Network for them to provide the Service to you. Your application will be subject to the credit check and security checks required by the Network and a security deposit might be required; we

may also request “proof of identification” documents, such as a copy of your passport or driver’s licence.

4.2. Pending the Network’s approval of your application, we will reserve a sum of money on your credit card for the purposes of credit card verification. This will either be a nominal sum which will be refunded to you immediately or (if more) the full price of the Goods. Please note that the nominal amount reserved is generally £2.50 and this will show as Samsung Mobile Shop or something similar on your bank statement.

4.3. If the Network declines your application, we will inform you as soon as possible and refund any sums we have reserved from your bank account.

4.4. Customers will not be permitted to purchase more than two Contract Phones in any rolling six-month period.

4.5. If you purchase Contract Phone or SIM Only we will often charge you less for those Goods than the amount we would charge if you were buying them without a Network Contract (the Retail Price). You acknowledge that us providing those Goods to you for free or at less than the Retail Price is conditional on you not downgrading your Tariff or ending your Network Contract during the Minimum Term.

4.6. Except in circumstances where you cancel your Contract and your Network Contract in accordance with **clause 9** (in which case the provisions of **clause 9** apply), if your Network Contract ends before the end of the Minimum Term or if you downgrade your Tariff then within 7 days of the downgrade or end of the Network Contract you must:

a) pay us the difference between the price you paid for the Contract Phone or SIM Only and a sum equal to the Retail Price including VAT, plus the market value of the Promotional Products plus VAT; or

b) if the Contract Phone or SIM Only and any associated Promotional Products are in good working order, fully functioning and intact, return them to us.

4.7. If you do not make the payment required under **clause 4.6** then we will be entitled to take back the Contract Phone or SIM Only and any associated Promotional Products and you must return them to us as soon as we ask you to do so.

4.8. If you fail to return any Contract Phone and Promotional Products under **clause 4.7** we will commence proceedings to recover the cost of the Goods from you including but not exclusive to invoicing you for the sums owed. If you do return the Contract Phone and Promotional Products under **clause 4.7**, we will credit your account with the market value of the Contract Phone and Promotional Products at the time they are received. The market value of such credit will be determined by our chosen recycling partner and their decision as to value will be final. You will remain liable for any subsequent outstanding balance and

such sum will be payable to us on demand. We will commence proceedings against you to recover such sums if they are not paid to us on demand.

4.9. In the event that you receive goods that we haven't been able to connect to your chosen network provider, we will arrange to activate your contract (where applicable) as quickly as possible. If you are unhappy with the terms of this contract you will not be forced to be connected, however you will need to return the goods to us within 7 days. Alternatively, you can request a collection. If you decide that you would like to keep the goods without being connected we would require payment in full (including VAT) within 7 days of us notifying you of the connection issue.

18.2. You may only transfer your rights or your obligations under these Terms to another person if we agree in writing but we will not unreasonably withhold our agreement.

18.3. This contract is between you and us. No other person shall have any rights to enforce any of its terms, whether under the Contracts (Rights of Third Parties Act) 1999 or otherwise.

18.4. Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful or unenforceable, the remaining paragraphs will remain in full force and effect and the unlawful or unenforceable terms will be changed to the minimum extent necessary to make them lawful and enforceable.

18.5. If we fail to insist that you perform any of your obligations under these Terms, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.

18.6. These Terms and the Contract for the purchase of the Goods are governed by English law. You and we both agree to that the courts of England and Wales will have non-exclusive jurisdiction. However, if you are a resident of Northern Ireland you may also bring proceedings in Northern Ireland, and if you are a resident of Scotland, you may also bring proceedings in Scotland.
